Melissa Taylor, MA, is a writer, author, children's book reviewer, former teacher, and parent. She founded the popular children's book review blog, Imagination Soup, for parents, teachers, and librarians, and is currently offering publicity and marketing services through Imagination Soup Consulting.

"Students were talking about Melissa and her book, *Tova's Sweet Solution*, throughout the day. She was enthusiastic and interacted with the students throughout her presentation, keeping them engaged."

- Judy Ripke, St. John's Lutheran School Librarian
